

INTERNATIONAL SCHOOL OF KNOWLEDGE & LEADERSHIP ACTIVITY AND SPORTS CONSENT FORM

To be read and completed by Parent/Guardian

The risk of injury exists in every activity. Falls, collisions and other incidents may occur and cause injury. Due to the nature of some activities, injuries may range from minor sprains and strains to bruises. Injuries as a result of participation in any kind of activity can occur without fault on either the part of the student, or the school employees or the facility where the activity is taking place.

In case of any such incident, we as an educational institute request the Parents to deal with such situations with patience and discuss all concerns with the School's Head.

I hereby declare that I have read the consent form and agree to its terms.
